Register a free business account Please try your search again later.Specifications Machine noise 30 DBA and 53 DBA.Amazon calculates a product's star ratings based on a machine learned model instead of a raw data average. The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers, and factors that establish reviewer trustworthiness. Please try again later. Iona Sun 5.0 out of 5 stars Weve had one at the office for.The only annoyance I have is along the same lines as comments others have made.However, when it sends it tells you that it is sending if you are watching the display. So I dont have a real issue with the display. And although the display is small it is also backlit ! which is great for me because the machine is in a dark corner of the office. I read the reviews here on Amazon before buying and they helped to sway me towards this unit. I can say that Im very happy with my choice so far.It has been totally useless for us. I am glad it worked wll for others. We now have 4 faxes none of which work as our copiers that never send more than one sheet at a time. Why cant they make a fax like thatThis is important to me because I work with a lot of numbers.

This 2920 Fax finally answers my need for clarity without even using the Fine Resolution button. It also was easyintuitiveto set up and get started right away.I recommend it highly. It has clear printing and is so easy to use. Frank Scoblete author of Golden Touch Dice Control Revolution!It was easy to setup and easy to work. Both fax and copies are clear and neat looking. Office staff is pleased with my choice on this product.And for years it performed day after day. When the old one went bad we picked up this model and have been very satisfied.Brother is fast, good volume on drums and toner with reasonable pricing.In order to navigate out of this carousel please use your heading shortcut key to navigate to the next or previous heading.
